

X-MAS Edition

# Invitation

## Brain Tumor Club

**17.12.2025**  
**Willstätter-Hörsaal**  
**LMU Campus Grosshadern**

### AGENDA

**15:30-15:35**

**Welcome and Introduction (Louisa von Baumgarten, Sebastian N. Marschner, Patrick N. Harter)**

**15:35-15:45**

**Neuropathological Flashlight: CNS Metastases (Patrick N. Harter)**

Center for Neuropathology and Prion Research, LMU Munich

**15:45-15:55**

**Theranostic Flashlight: Theranostics of Brain Metastases: The THERANOVA Trial (Nathalie L. Albert)**

Department of Nuclear Medicine, LMU Klinikum Munich

**15:55-16:15**

**CNS Metastasis in Radiooncology (Sebastian N. Marschner)**

Department of Radiation Oncology, LMU Klinikum Munich

**16:15-16:35**

**Spinal Metastases in Neurosurgery (Florian Ringel)**

Department of Neurosurgery, LMU Klinikum Munich

### Coffee Break

**17:05-17:25**

**Novel Systemic Treatment Strategies of Lung Cancer Brain Metastasis (Amanda Tufman)**

Department of Internal Medicine Thoracic Oncology, LMU Klinikum Munich

**17:25-17:50**

**Brain Metastasis: Basic Cell Programs, Histological Growth Patterns, and the Metastasis-Parenchyma Interface (Tobias Pukrop)**

Center for Translational Oncology, Universitätsklinikum Regensburg

**17:50-18:15**

**Multi-layered Cerebrospinal Fluid Liquid Biopsy and Stereotactic Radiosurgery for Brain Metastasis: A prospective approach to integrating tissue and CSF profiling (Pia S. Zeiner)**

Department of Neurology and Dr. Senckenberg Institute of Neurooncology, Universitätsklinikum Frankfurt

### Discussion and Get-together

With best regards

Louisa von Baumgarten

Sebastian N. Marschner

Patrick N. Harter
