

## CV of Jörg Christian Tonn (\* 23.12.1958)

**Position:** Professor emeritus Neurosurgery

**Address:** Marchioninistraße 15, 81377 Munich

**Email:** joerg.christian.tonn@med.uni-muenchen.de

**Tel:** +49 89 4400 72591

**DOB:** December 23<sup>rd</sup> 1958

Jörg Christian Tonn served from 2001 until 2023 as Professor and Chairman of the Department of Neurosurgery at the Ludwig-Maximilians-University in Munich (Campus Großhadern). His primary research and clinical interests relate to surgical neurooncology with focus on translational aspects of molecular neurooncology, techniques of local tumor treatment as well as conceptual combinations of different treatment modalities in brain and skull-base tumors. His work also includes integration of molecular imaging, such as PET-CT, into surgical and neuro-oncological decision making.

1977 – 1983	Medical School Justus-Liebig-University, Gießen, Germany
1983 – 1990	Residency in Neurosurgery, Department of Neurosurgery, University Hospital of Gießen
1990	Board Certification Neurosurgery
1990	Appointment as staff and attending neurosurgeon, Department of Neurosurgery, University-Hospital of Gießen, Germany
1991	Attending neurosurgeon, University-Hospital of Würzburg, Germany
1993	Assistant professor, University of Würzburg, Germany
1996	Appointment as Vice-Director of Department, Department of Neurosurgery, University Hospital Würzburg, Germany
1997	Appointment as Professor of Neurosurgery at the Julius-Maximilian-University Würzburg, Germany
2000	Offer to become Chairman and Professor of Neurosurgery at the Department of Neurosurgery Hamburg - declined
3/2001 – 3/2023	Chairman and Professor of Neurosurgery at the Department of Neurosurgery, Ludwig-Maximilians-University Munich, Germany
