

BayBioMS – Advanced mass spectrometry seminar

When: Wednesday **24.04.2024, 5 pm**

Where: IGZW, Gregor-Mendel-Str.4
3rd floor conference room

Doors open at 4:45 pm

Free beer, drinks and snacks will be served!!

Methods covered

- proteomics in ring trial studies
- targeted metabolomics of bile acids and SCFA

Dr. Stephanie Hauck

Helmholtz Munich

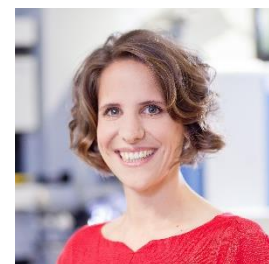

“Benchmarking performance of mass spectrometry in proteomics – how ring trial studies advance cross-laboratory reproducibility.”

Dr. Erik T. Orberg

Technical University
Munich /
Universitätsklinikum
Regensburg

“Microbiota-derived metabolites in cancer immunotherapy”

Dr. Christina Ludwig
(Proteomics)

Dr. Karin Kleigrew
(Metabolomics)

Miriam Abele
(Bioinformatics)
