The microbiome as cause and therapy of cancer

Prof. Dr. med. Michael SCHARL

Microbiome lecture, Wednesday, March 26th 2025, from 4 – 5 pm

Dear colleagues,

We cordially invite you to a microbiome lecture presented by Prof. Scharl entitled:
"The microbiome as cause and therapy of cancer"

Wednesday, March 26th, from 4 – 5 pm

Great Lecture Hall

at: Klinik und Poliklinik für Dermatologie und Allergologie

Frauenlobstr. 9-11

80337 München

As Head of Translational Microbiome Research Center of the Department of Gastroenterology and Hepatology at University Hospital Zürich, Prof. Michael Scharl is highly experienced in microbiome research.

We are looking forward to welcoming you!

Yours sincerely,
Lucie Heinzerling
